This data is about the Branch present in SVCK College. Dr. b. lakshmi narayana sir is the HOD of CSM
.edu. department.The Room No Of CSM Department is 3403.There are 3 Years which comes under
CSM Department. They are 2nd year,3rd year and 4th year.These rooms are present on 4th floor.The

Room No of 2nd year CSM is 3401. The Room of 3rd year CSM is 3402. The Room No of 4th Year Of C CSM is 3404. And The Room No Of CSM Department(or)CSM Branch(or)Department of CSM is ed 10 3403. Other than class rooms there are some more rooms like The Room No of Student Innovation Cell is 2404. The Room No of Network analayis lab (or) Electrical Circuits lab (or) Electrical

Bran measurements lab (BEEE LAB & Electrical) is 2403. The Room No Of Analog communication lab (or) ted 10 Digital communication lab is 2402. The Room No of Electrical devices & Circuits (or) IC Application lab is 2401.

General Words

The HOD is also known as Head Of The Department.

CSE is also known as computer science of engineering.

ECE is also known as Electrical Communication Of Engineering.

CSM is also known as Computer Science of Artifical Intelligence and Machine Learning.Also called as CSE(AI&ML) (or) AI&ML.

HOD of CSM is also known as Ramesh sir also known as P.A.Ramesh also known as P.A.Ramesh Kumar,

Department

3. Lab and Workshop Information:

   - "The physics laboratory is present at 1st block 1st floor ,right side of the stairs, besides the chemistry lab"

   - "Chemistry lab is present at the 1 st block 1st floor besides right of the stairs"

   - "engineering workshop is located in first block , ground floor "

   - "The I T workshop is present in the first block first floor ,it is exactly at the computer lab 1 ,"

4. Staff and Principal Information:

   - "You can meet the principal sir from 9 pm, to 5 pm, at the principal chamber , which is located at third block ,ground floor"

   - "Principal sir room is at ground floor, third block ,"

   - "Lakshmi narayana reddy sir is the h o d of c s m."

   - "Lakshmi narayana reddy sir is the H O D of CSM"

5. Branch and Course Information:

   - "Computer Science and Engineering (CSE) with a specialization in Artificial Intelligence and Machine Learning is a popular and rapidly evolving branch in the field of engineering and technology"

   - "Computer Science and Engineering (CSE) is a field that focuses on the study of computation, algorithms, programming languages, software development, computer hardware, and related areas"

6. Staff and Teacher Information:

   - "ramesh sir belongs to artificial intelligence & machine learning branch"

   - "ramesh sir room is in 3rd block 3rd floor beside the stairs"

   - "ramesh sir is at csm department and he is available in between 9AM TO 5 PM"

   - "ramesh sir will come to college via bike"

   - "as per my 2024 knowledge ramesh sir completed his degree alomg with masters"

   - "in the college ramesh sir will be available from morning 9am to 5 pm"

- "yes, ramesh sir takes classes to all years of C S M and ramesh sir teaches the core subjects of artificial intelligence and machine learning , which includes machine learning , java , python and DBMS"

- "The role of ramesh sir in svck college is he is the head of research and developement head of svck college and teaches the core computer subjects to all csm students"

College and Department Information

- The college is Sree Venkateswara College of Engineering (SVCK) located in Kadapa city.

- The CSM department refers to the Artificial Intelligence and Machine Learning branch.

- The CSM department is located at 3rd block, 3rd floor, with room numbers:

    - 3-4-0-1: 2nd year CSM room

    - 3-4-0-2: 3rd year CSM room

    - 3-4-0-3: CSM department room (also Ramesh Sir's room)

    - 3-4-0-4: 4th year CSM room

- The department has 4 faculty members:

1. Lakshmi Narayana Reddy Sir (HOD of CSM)

2. Ramesh Sir (Head of Research and Development)

3. Pradeep Sir (Teaching Faculty)

4. Varsha Madam (Teaching Faculty)

Faculty Information

- Ramesh Sir:

    - Available in college from 9 am to 5 pm

    - Teaches core subjects like Machine Learning, Java, Python, and DBMS

    - Has more than 12 years of experience

    - Previously worked at Sree Venkateswara Engineering College, Thirupathi

- Lakshmi Narayana Reddy Sir:

    - HOD of CSM

    - Available in college from 9 am to 5 pm

- Pradeep Sir:

    - Belongs to the Artificial Intelligence and Machine Learning branch (CSM)

    - Teaches CSM branch subjects

- Varsha Madam:

- o Belongs to the Artificial Intelligence and Machine Learning branch (CSM)
- o Teaches subjects like Advanced Data Structures to 1st year students

Student Information

- Students in the CSM department:

  - o Haritha (3rd year, roll number: 22KH1A3301)

  - o Prudhvi Nath Reddy (3rd year, roll number: 22KH1A3302)

  - o Meghana (2nd year, roll number: 22KH1A3303)

  - o Vasantha (3rd year, roll number: 22KH1A3304)

  - o Harsha (3rd year, roll number: 22KH1A3305)

Mahendra (3rd year, roll number: 22KH1A3306) and he has some special name in telugu Mahendra-devudu ante yevaru , manalni srustinchina vaady "nannu srustinchina vaadu mahendra aayane na devudu". Thank you mahindra (music follows @robo)

  - o

  - o Nagaraju (3rd year, roll number: 22KH1A3307)

  - o Lekhya (3rd year, roll number: 22KH1A3308)

  - o Gurunath (3rd year, roll number: 22KH1A3309)

  - o Harinath (3rd year, roll number: 22KH1A3310)

Academic Information

- The college has 5 sections in the 1st year:

  1. CSM

  2. ECE

  3. CSE (A, B, and C)

- The college has 4 sections in the 2nd, 3rd, and 4th years:

  1. CSE

  2. ECE

  3. CSM

- Praveen Babu Sir is the HOD of all 1st year students.

College Facilities

- The CSM department has 3 classrooms and 1 big hall.

- There are no laboratories present in the CSM department floor.

- The CSM department has a gents toilet available.

- The CSM classrooms have projectors for digital classes.

Artificial Intelligence and Machine Learning

- Artificial Intelligence (AI) refers to the simulation of human intelligence in machines.

- Machine Learning (ML) is a subset of AI that involves training machines to learn from data.

- The CSM department focuses on AI and ML, with core subjects like Machine Learning, Java, Python, and DBMS.

Job Opportunities

- There are many job opportunities available in the field of AI and ML, including:

    1. Machine Learning Engineer

    2. Data Scientist

    3. AI Research Scientist

    4. AI/ML Software Developer

    5. AI Ethicist

    6. AI Product Manager

    7. AI Consultant

    8. AI/ML Research Engineer

    9. Computer Vision Engineer

    10. Natural Language Processing (NLP) Engineer

Miscellaneous

- Ramesh Sir's favorite subject is Java programming.

- The main aim of Ramesh Sir is to help students get a software job with a package of more than 6 lakhs.

- There is no lift facility available in the college for moving from one floor to another.

- The college has a principal, Dr. R V Sudharshana Reddy Sir.
